

Maid2Clean Master Franchise Licences in Ghana

What is a Master Franchise?

A Master franchise is where a franchise businesses that has a proven system in one country (E.G. Maid2Clean in the UK) offers a license to its brand in another country (e.g. Ghana).

Master Franchising

Maid2Clean is interested in talking to people interested in Master licensing in Ghana.

Maid2Clean is a successful UK management franchise in the domestic cleaning market. With over 100 franchisees trading in the UK, Maid2Clean now provides work for some 9,000 cleaners in the British Isles.

With a presence in Ireland and Canada also, maid2Clean is now looking to further expand into the Ghanaian market.

Who are we looking for?

Maid2Clean has a Master Franchise position to enable the successful applicant to offer a unique management agency concept in the domestic cleaning services sector.

Maid2Clean is seeking a long term player with strong managerial and commercial acumen. You will have the experience of running your own business and developing a network of franchisees. You will need the ability to localize the Maid2Clean UK franchise package to work within the Ghanaian market.

Maid2Clean is NOT seeking for single unit franchisees at this stage. If you believe you possess all the attributes needed to develop the Maid2Clean brand in the Ghana we would be interested in speaking to you.

The demand for the service is virtually recession-proof as more couples go out to work. These busy people are grateful recipients of the Maid2Clean agency service. The Maid2clean business is already a proven concept since 1993, with high profit margins and increasing customer demand. Houses gather dust no matter how the economy performs and demand for the service and franchise licenses remains strong, even in recessionary times. The domestic services cleaning sector has grown exponentially over the last 20 years as more and more couples to out to work to service the life styles they desire.

There is no cleaning involved by franchisees or Master License holders – both are managerial positions. As a Master licensee (franchisor), you would be well positioned to harness the power of the brand and grow a substantial franchise operation in Ghana.

Advantages of a Maid2Clean Master License

The Maid2Clean Master Franchise opportunity provides you with many advantages such as:

- Exclusive rights in your area as a franchisor, not just a Franchisee
- Satisfaction in knowing you are helping others grow their businesses as their residential cleaners provide a much needed service
- Low total investment compared to other Master License concepts
- Flexible working hours

To Maid2Clean, the ability to use business experience is outweighs specific industry knowledge. That said Master Franchisor Applicants must possess certain attributes.

The Maid2Clean Master License Package

You would be granted the exclusive development rights to operate the Maid2Clean Franchise system in your agreed region.

There will be no need to invest in Ghanaian premises, cleaning products or liveried vehicles, the franchisee's agency business can be run from a small office or home. The Franchise business can be run from home also.

Our Master Franchisees are International Master Franchise Owners. They will receive the following with their Maid2clean Master License:

- Launch Program in Ghana
- The rights to sell Maid2Clean Franchise Licenses throughout their Ghanaian Master Territory.
- The rights to use the Maid2Clean trademarks, service marks and other commercial symbols.
- The know-how to develop franchisees businesses countrywide

- A brand recognized for quality and a commitment to service.
- A protected, exclusive and generous Master territory license
- Maid2Clean proprietary systems and methods for localization and use in Ghana
- Online knowledge base
- A proven business model since 1993

The Master Licensee will gain access to the proven Maid2Clean franchise program, which they will adapt to their country. The master franchise owner will recruit and award franchises within the geographic areas designated in their master franchise license, to individuals looking to run their own local Maid2Clean cleaning agency in Ghana.

Investment

The investment will be based on the size of the Master License territory taken I.E. the number of potential Franchise licenses within the geographical Master Franchise area allocated. Fees will take the form of initial up-front payment and thereafter an ongoing royalty to be agreed between Maid2Clean and the Master Franchisor.

The master Franchisor will need to bear the costs of localizing the franchise package including the Operations Manual. The royalty is a fixed monthly fee.

We would split the initial franchise fees on each franchisee recruited 50/50, and royalties on each franchisee would be split 75/25 in the Master franchisees favour.

The master franchisee would then be allowed to open or resell as many franchises as desired within the master franchise area.

As a Master Franchisor you would be the licensee of the Ghanaian market and would be responsible for managing both your own Maid2Clean Cleaning operation alongside selling Franchise licenses to prospect franchisees.
